## Yearbook Editors

Adviser, Jacquelyn Shacklette and Catressa Zak work hard to meet yearbook deadlines.

Yearbook Co-editor Deena Phillips chooses pictures.

Co-editors of THE LION'S ROAR were Haley Anderson and Gary Davis.

Catressa Zak and Deena Phillips were co-editors of the 1984-85 yearbook.

## Newspaper Editors

The co-editors of the 1984-85 yearbook spent many long hours checking and perfecting the yearbook. Their duties included creating layouts, checking the other staff member's layouts, teaching the staff members as well as various other jobs.

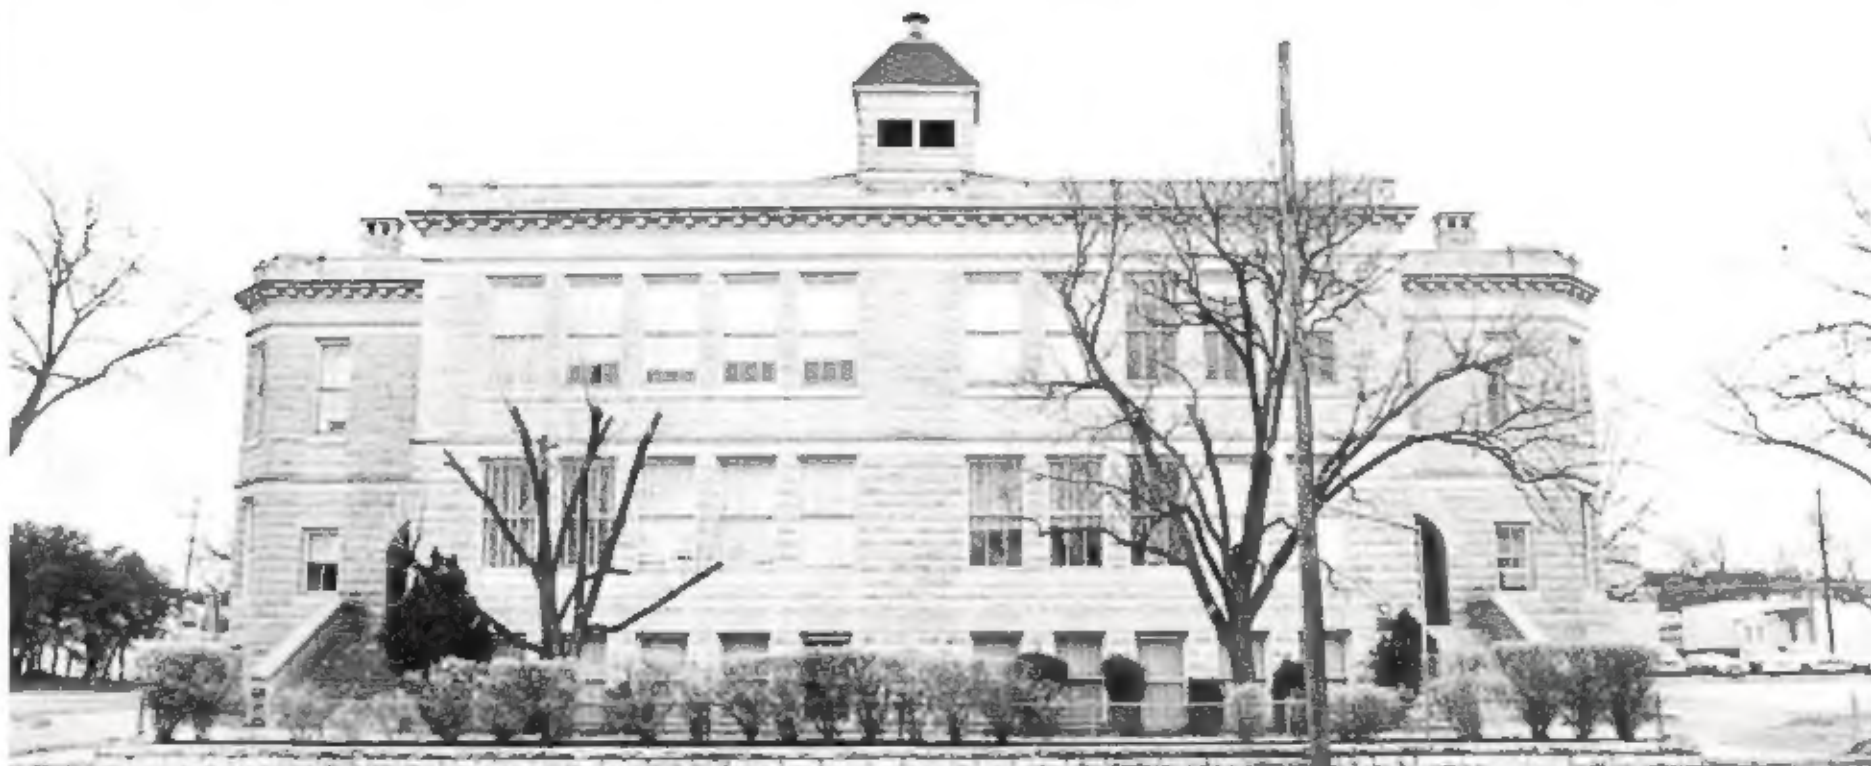

The 1984-85 newspaper editors' tasks included many of the same jobs as the yearbook editors. They all worked hard.

Haley discusses journalistic matters.

# 1985 Lion dedicated to Changing Times

The 1985 Lion yearbook is dedicated to "Changing Times." 1985 has seen many changes in and around the campus of Ozona High School. Some of these changes include the sale of Homecoming mums, the Senior trip, the retirement of Mr. Charles Womack at the Junior High School, and the many changes resulting from the Texas Legislature's House Bill 72.

Because of the limited time spent outside of class, the Senior class was not able to sell Homecoming mums this year. In order to make, take orders, and deliver the mums, the members of the class would have been out of class too much. For the first time in many years, the Senior class did not sell the traditional Homecoming flowers.

As a result of **not** selling the mums, the Senior class had a booth at the annual Halloween carnival. They sold various assortments of baked goods and candies. The Arts and Crafts Guild, who also had a booth, donated their profits to the Seniors.

Another change in 1985 was the retirement of long time Ozona teacher, coach, and principal, Mr. Charles (Chick) Womack. Mr. Womack served some thirty years in the Ozona school system. He began his career as a coach and teacher. Under the superintendency of Mr. L. B. T. Sikes, Womack was promoted to his present position of Junior High School Principal. Mr. Womack has seen many students through school here in Ozona and we, the staff of the LION, salute him for his continued service to one of the best school systems in the state of

Texas.

Another tradition changed in 1985 was the annual Senior Trip. For years, the Ozona Senior class has traveled to Six Flags Over Texas in Arlington. Due to travel expenses and Legislation reform requiring students to remain in school, the trip was changed and the class went to Water Wonderland in Odessa.

1985 also saw the renovation of the old Junior High building on the campus of O.H.S. The project, which was started in mid-1984, ran into complications when the construction company in charge of the restoration went bankrupt and work was stalled. The building was finally completed in the spring of '85 and students were able to move in. The new education center included a mini-theatre, a journalism workroom, a darkroom for photography classes, a computer science workroom, an activities room for cheerleaders, and a cosmetology lab. The renovated structure, which is a Texas historical landmark, also housed several classrooms.

1985's school year passed quickly, leaving behind many memories and good times. The 1985 LION staff hopes that with this publication, you, the students of O.H.S. will always remember the great opportunities each of us had while attending O.H.S. Quoting one popular country and western song, "Old memories die hard," It is our wish that you will cherish each memory that Ozona High School has given you.

Sincerely,  
THE LION STAFF 1985

# The Life Of A Journalist

The Journalism class for 1984-85 consisted of (top) J. Garcia, Haley Anderson, Gary Davis, (bottom) R. Delgado, Catressa Zak, Zaida Munoz, Flora Ramos, Dee Phillips, Melissa Vargas, Jacquelyn Shacklette (advisor) Linda Villarreal, and Sylvia Rodriguez.

The Journalism Staff covers the latest campus activities as accurately as possible for the school's newspaper, THE LION'S ROAR. Journalism students prepare the paper to the camera-ready stage. Students check the assigned beats, write and re-write stories, and type these into a computer where they are edited. The stories are printed, waxed, and pasted to a layout page. Headlines are written and rubbed on. Copy is read and checked for errors which are corrected. Pictures are identified and captions written for them. LION'S ROAR WEEK is very hectic for Journalism students.

Besides the newspaper the Journalism class is the yearbook staff as well. A whole new set of specifications must be learned. It is completely different from the newspaper. The photographers really get busy at this time of the year printing pictures for the Journalism class which has become THE LION staff.

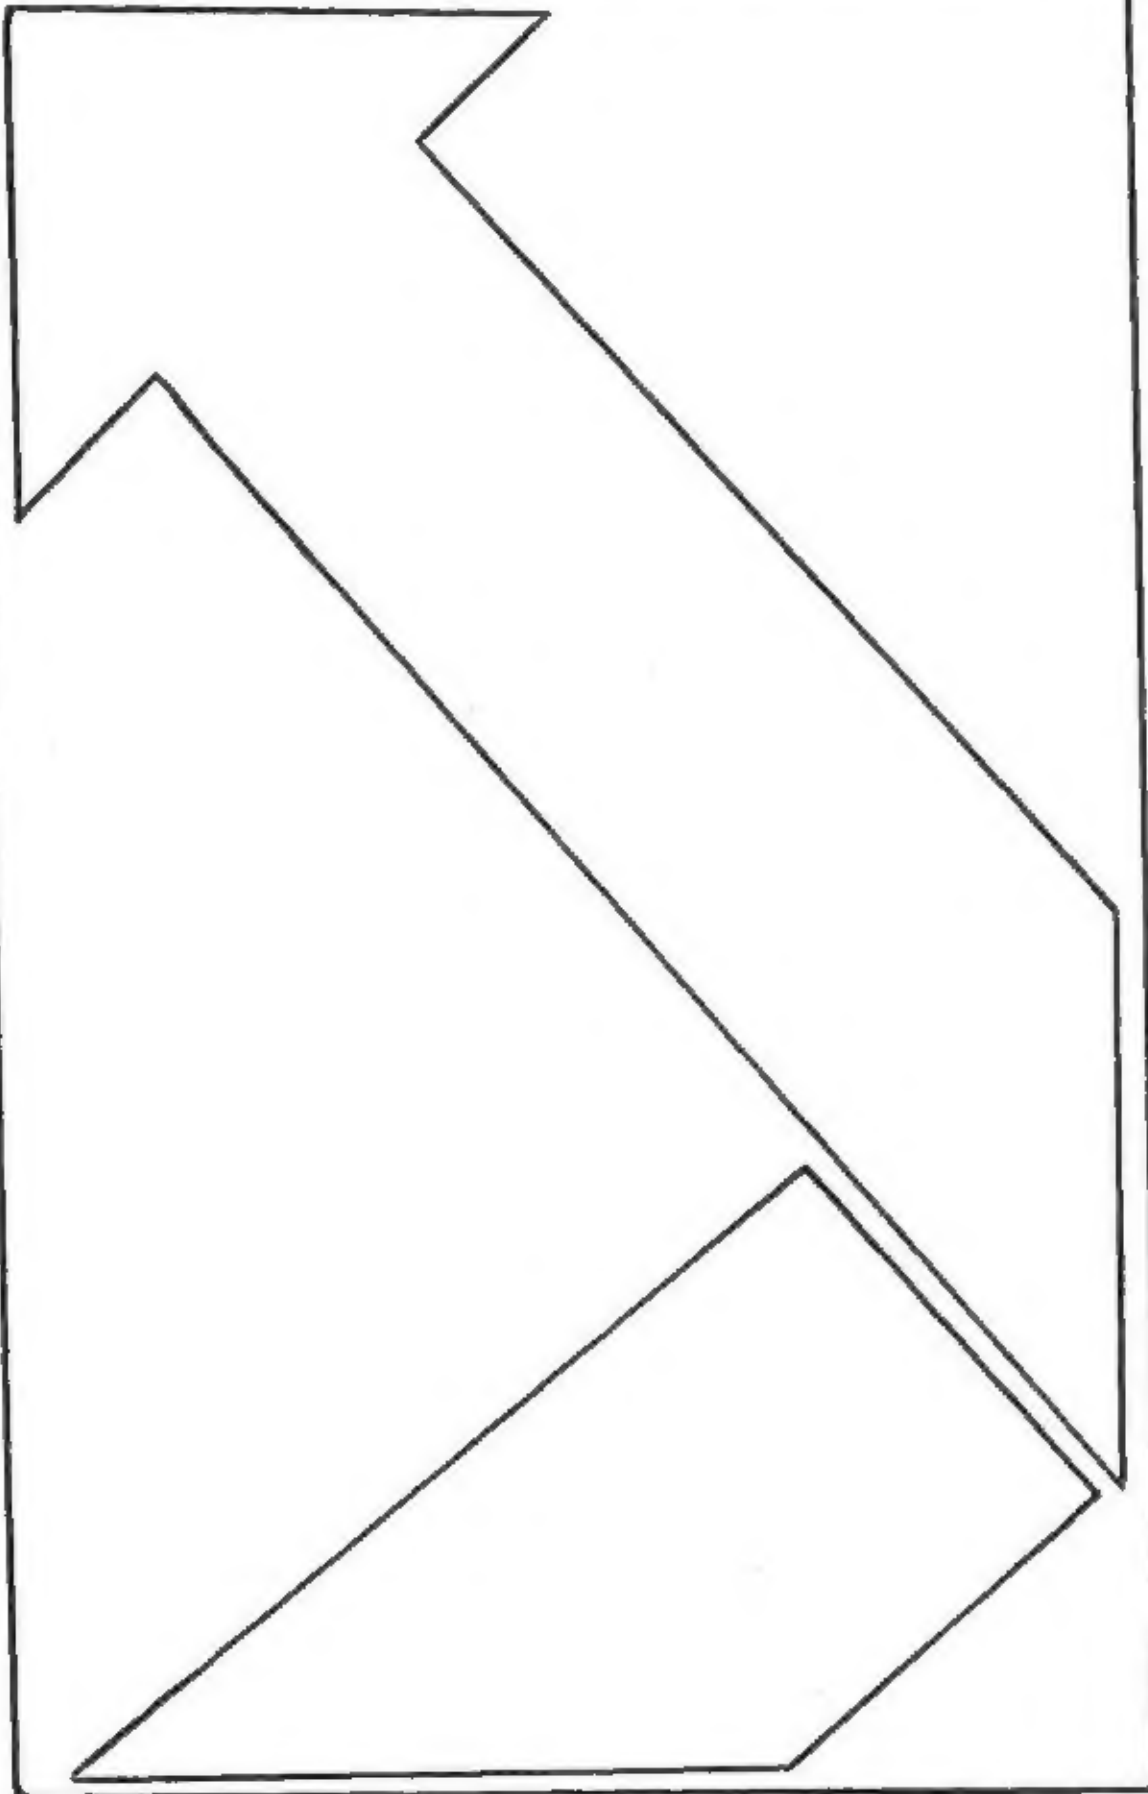

The Photography class of 1984-85 consisted of Vanessa Miller, Michael Glaze, Santiago Onofre, and Mary Ybarra Trevino. Mr. Kelly Glaze was their very able adviser.

The Journalism class gives special thanks to the Photography class for printing, taking, and developing pictures for THE LION'S ROAR and the yearbook, THE LION. The Ozona High School photographers spent many hours of their extra time trying to meet deadlines for needed pictures.

# QUILL AND SCROLL AT OHS

Students participating in Quill and Scroll are: Linda Villareal, J. R. Garcia, Deena Phillips, Haley Anderson, Gary Davis, and Catressa Zak.

Quill and Scroll is a Journalism organization where any student with good writing skills can participate. A student

must be ranked in the top third of his class and be a person people can look to for leadership, character, and guidance.

Santiago Onofre looks on while Mr. Glaze and Vanessa Miller check the clock.

Journalism students seem to be interested in what they are doing.

The 1984-85 Senior class had a skilled group of officers. President Al Ramirez is the son of Mr. and Mrs. Al Ramirez, Sr. The president is in charge of conducting the Senior class meetings. Gary Davis is the vice-president of the Senior class. He is the son of Mr. and Mrs. Garland Davis. Gary takes the place of the president when he is absent or unable to attend to his duties.

The secretary of the class is Susan Scott, daughter of Mr. and Mrs. Lane Scott. The secretary records the minutes of every meeting. Mary Trevino Ybarra is the Seniors of "85" treasurer. She is the daughter of Mr. and Mrs. Andrea Trevino. The treasurer is in charge of the money made and spent by the class.

# FAVORITES

The 1984-85 Senior class members elected their favorites in January. The favorites chosen were Mario Arredondo, son of Mr. and

Mrs. Raul Arredondo Sr., and Irma Tobar, daughter of Mr. and Mrs. Joe Tobar.

The favorites elected have won

the respect and friendship of their classmates. They are an example to follow for all students.

# SALUTATORIAN

**Barbara Clinton**, daughter of Mr. and Mrs. Richard Clinton, is a *magna cum laude* graduate with a 7.31 grade point average for her 4 years of high school. The average is based on a 1 to 8 scale.

Named to the National Honor Society as a sophomore, Barbara has participated in many school activities while maintaining her high academic standing throughout high school.

Barbara plans to attend Angelo State University as a pre-med student preparing for medical school.

"At this time I would like to welcome you to our graduation or in our words, our 'celebration'. We have worked twelve very long years for this night, and we are so glad that you are here to enjoy it with us. I know that I personally have been waiting for this night with great anticipation. I'm sure the rest of my classmates have also been looking forward to this event.

Although this is the happiest day that we, the graduating class, have had, it is also a sad day. Tonight is the

night we say good-bye to high school. But this sadness only turns to happiness when we open the door to our future. Tonight is also sad for another reason. One of our most cherished friends is not here with us tonight. Alma Kay was a true friend that we all miss terribly. And although Alma Kay is not here in body, she is in spirit. She will walk across this stage with everyone of her classmates, and in our hearts we know Alma Kay is celebrating with us.

I personally would like to give

special thanks to my parents. Thank you for all the love and support you have given me throughout the years. I love you very much. I would also like to thank my classmates and friends for all the memories we have shared and all the love you have given me. I could not have made it without all of you. I would once again, on behalf of the 1985 graduating class, like to welcome you to our celebration.

# VALEDICTORIAN

**RAUL DELGADO**, son of Mr. and Mrs. Enrique Delgado, graduates *magna cum laude* with a 4 year grade point average of 7.5 (based on a 1 to 8 scale). He has been on the honor roll during all of his high school career and was named to the National Honor Society while a sophomore.

Raul plans to study art and physical therapy at Howard College in Big Spring.

"On behalf of myself and the members of this graduating class, I would like to express my gratitude to everyone present to witness this significant event in our lives. I would sincerely like to thank God, my parents, Norma and Enrique Delgado, my sister Ampara Enriquez, and my brother Henry Delgado for all that they have done for me. I would also like to extend my thanks to the administration, the faculty, the senior class of 1985, and to everyone who has been supportive in my life.

I feel that the Lord put us here on

this earth for a purpose, whether it be to give aid to the sick, to feed the hungry, or to serve others in any other manner. In order to be successful in executing these deeds, we depend upon education, along with faith, determination, guidance, and perserverance.

In comparison, we are like a ship that must be navigated through a difficult, but worthwhile course. Just as the ship has someone to navigate or guide her through the difficult way, we too, could not have accomplished our goals without guidance. This guidance

has come to us from our parents and teachers. And for this, we thank you.

As we move on to new goals, we leave memories, accomplishments, and the will for others to keep striving through difficult, yet worthwhile courses. We must live life and go beyond this goal to attain our destination.

My friends, I wish you well. I hope that you will be happy and live a fulfilling life so that all your dreams may come true.

May the Lord be with you always."

## OHS CROWNS TOBAR & LIONS TAKE VICTORY

While America was crowning Miss America 1985, OHS was crowning Irma Tobar Homecoming Queen for 1984. Irma is the daughter of Mr. and Mrs. Joe Tobar. When Miss Tobar's name was announced as the winner, the crowd broke into a great applause. She was presented a crown, a bouquet of flowers, and a kiss by her escort, Mr. Danny Moran.

Tobar had to share the limelight with the Lions as they won the Homecoming game over the Eden Bulldogs, 20-14. It was the only victory all season for the Lions, but it was a victory well-deserved.

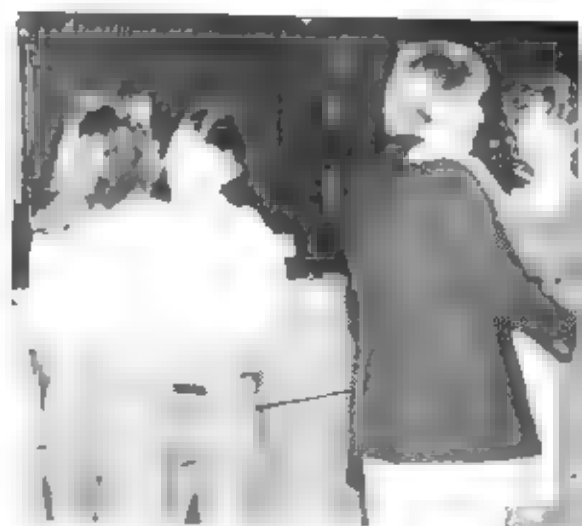

The Homecoming Dance was quite a success. Everybody had a great time. Irma Tobar was crowned Homecoming Queen and Danny Moran was her escort. The Student Council decorated for the Homecoming Dance. It was decorated with gold paws on the walls that had all the names of the football players, managers, and trainers.

## Merry Christmas

The 15th of December 1984 was the date of the Christmas Dance. The dance was a huge success that took place at the Crockett County Civic Center. "A Christmas Fantasy" was the theme decided on by the Sophomores. Snowflakes, a fireplace, and a Christmas tree were the decorations. The Sophomores sponsors who headed this and all the Sophomore ac-

tivities this school year were Mrs. Sherry York, Mr. Jim Green and Mr. Kelly Glaze. The annual Christmas King and Queen were nominated by the Sophomores that were present at the dance. The King was Mr. J. B. Green and the Queen was Miss Zelda Munoz. "A Christmas Fantasy" was what the dance proved to be.

## Valentine's Dance

Valentine's Day is a time for love, hearts, romance, the color red and the annual Valentine's Dance at OHS. The evening of February 16 was the date. Held at the Civic Center, the dance was a huge success. The spirit of Saint Valentine was exuberantly shown throughout the night, with spirits up, love shining and a good show of attendance.

## *Junior-Senior Banquet And Prom Make Memories For OHS*

## *Prom Goes Out With The Lights*

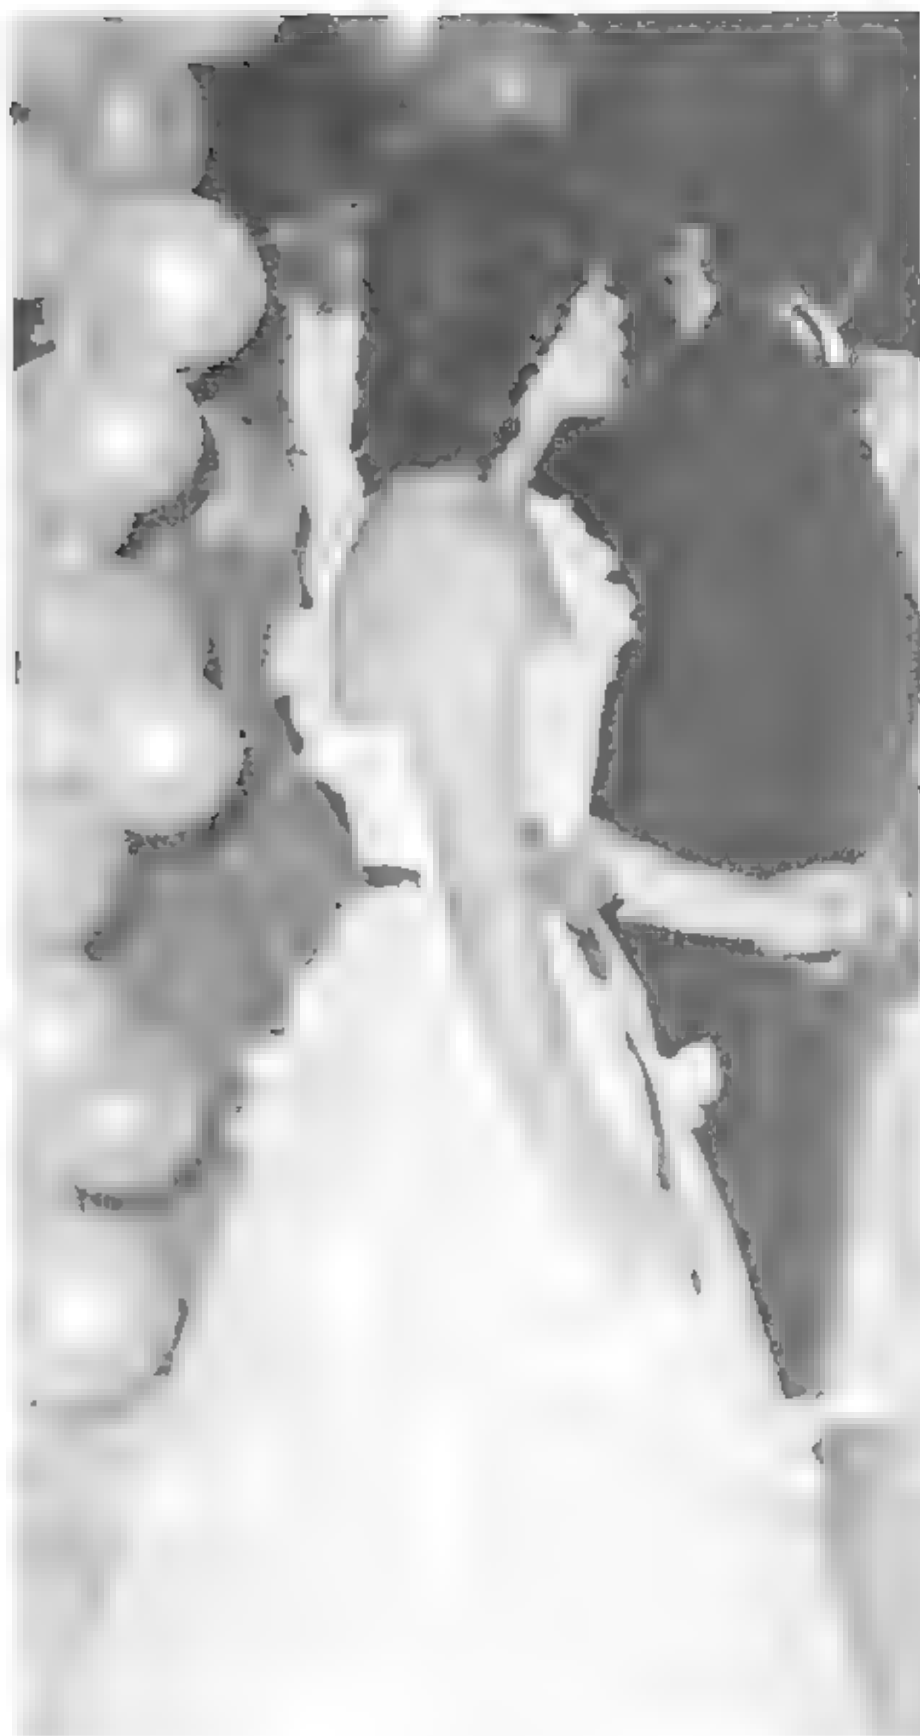

The 1985 Junior-Senior Banquet was quite a success with the traditional reading of the will, prophecy, and history. The Prom, however, was a different story.

The Prom, entitled "Through the Years", lasted almost two hours until a total electric blackout forced sponsors to cancel the Prom after students had waited an hour for the electricity to return. Excessive rainfall and run-off from surrounding hills caused the draw to fill rapidly and cars became trapped in the parking lot of Crockett County National Bank with water rising to window level on the vehicles.

Rainfall continued throughout the evening and on Sunday morning the water level was still very high under the bridge near downtown.

Although the Prom was not the best, it will be one that will never be forgotten throughout the years.

Below, Missy Ybarra, Alma Gutierrez, Janet Diaz, and Mylene Najar wait to have Prom pictures made as Bret Thompson oversees the situation. Below right, DeJaVu plays the tunes.

## *Davis, Scott Named 1985 Prom Royalty*

Gary Davis and Susan Scott, seniors, were named 1985 Prom King and Queen at the annual Junior-Senior Banquet.

Davis, the son of Mr. and Mrs. Garland Davis, was a state qualifier in UIL, a member of the Lion basketball and track teams, the National Honor Society President, the Senior Class Vice-president, member of the one act play cast and editor of the Lion's Roar.

Scott, the daughter of Mr. and Mrs. Lane Scott, was a state qualifier in twirling, a member of the one act play cast, Secretary of the National Honor Society, and Treasurer of the Senior Class. Susan was also a regional qualifier in prose interpretation as well as golf.

# ASSEMBLY ACTION

Theater Arts class presented a Halloween play. The play was "the Broomstick Beauty". Appearing in this picture is: Mylene Najar, Chris Gutierrez and Ira Childress.

The 1984-85 school year had very few assemblies. The reason for few assemblies is the state laws that were passed in the summer of 1984. These laws stated that students can only be out of call a very little time.

Although there were few assemblies there was a variety of different pro-

grams. The Theater Arts class put on a Halloween play. Steve Cormiev presented a program of guitar playing, singing and storytelling. A magician came and gave a great show. Another assembly presented to the OHS student body was the program on the drug dogs.

This assembly was dedicated to a magic here he shows us his talent at balloon blowing

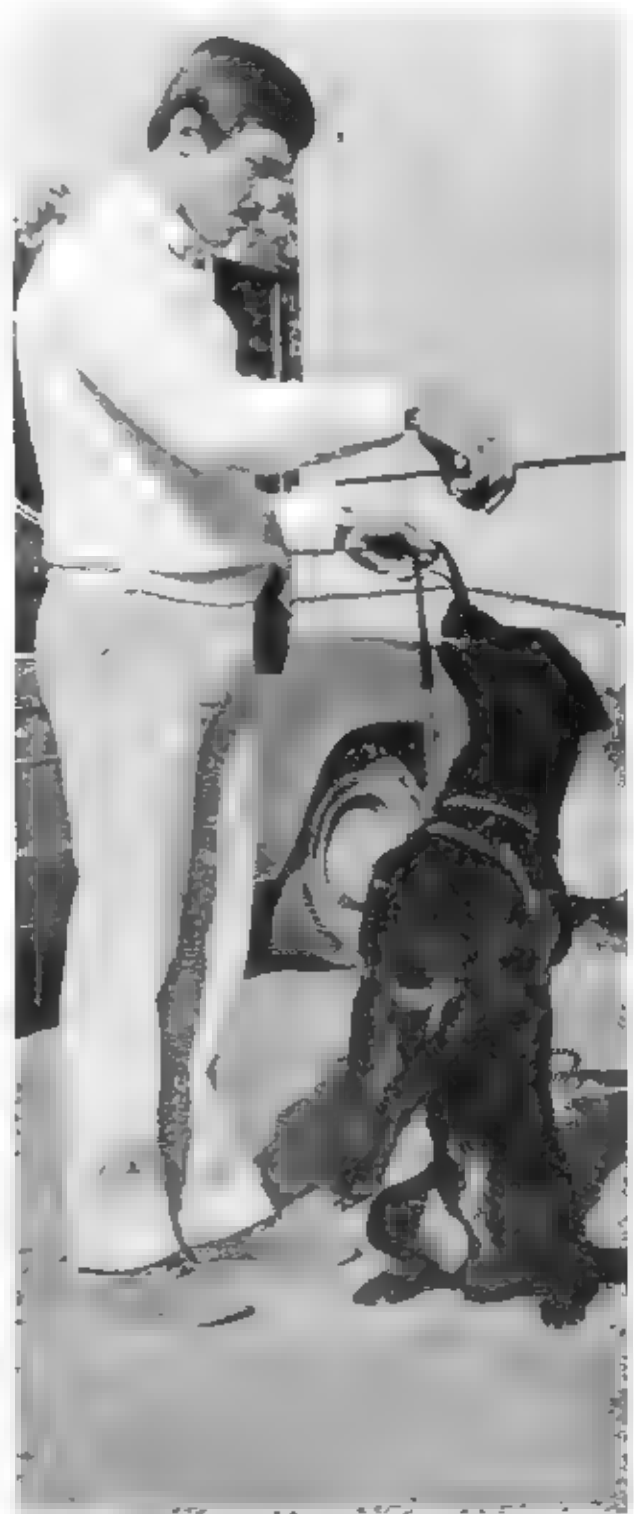

Steve Cormiev, folksinger, cowboy storyteller, entertained the high school on Nov 6th

UIL Regional qualifying contestants are: Ellie Tijerina, Amy Scoggins, Ann Hoover, David Ledbetter, Gary Davis, Susan Scott, Darla Judd, Michael Glaze, and Angela Dalby.

UIL state qualifiers Haley Anderson and Gary Davis proudly show their 3rd place medals won at the regional contest in Odessa. Both competed in journalism events, Haley in editorial writing and Gary in headline writing. Competing at the state level was exciting and both worked hard to prepare for the big event. The competition was fierce but Gary managed to place 4th.

Ozona High School had 32 participating students in the District 6-AAA Literary Meet held at Angelo State University. Eleven of the Ozona competitors qualified for Regional competition held at Odessa College. Two of Ozona's regional competitors qualified for the state meet at UT at Austin.

At the state UIL Gary Davis placed 4th in headline writing. Haley Anderson also competed well in editorial writing at the state level.

The UIL sponsors 24 academic contests including number sense, typewriting, journalism, calculator applications, debate, science, one-act play, persuasive speaking, and others. Today student participation in UIL academic, music and athletic contests is so extensive that one out of every two Texas high school seniors will have competed in UIL before graduation.

# ALMA KAY RAMOS — SENIOR '85

JULY 12, 1967-APRIL 13, 1985

## In Memory of Alma Kay Ramos

Laughing eyes, a happy smile  
Greeted us for too short a while;  
Started our days with a cheerful  
grin.  
And all too soon was gone then.

Graduation was just six-weeks away  
And how we'll miss you on that day!  
But unlike us you are safe from  
life's harms  
And are resting gently in Jesus'  
arms.

We never had a chance to say  
"goodbye."  
And forever we'll be asking why  
God took you away from us so soon  
And left our hearts filled with  
gloom.

But the memories you left us we  
will hold dear  
To our hearts though you've gone  
away from here.  
God picked a rose when He took you  
away.

We'll always love you,  
ALMA KAY.

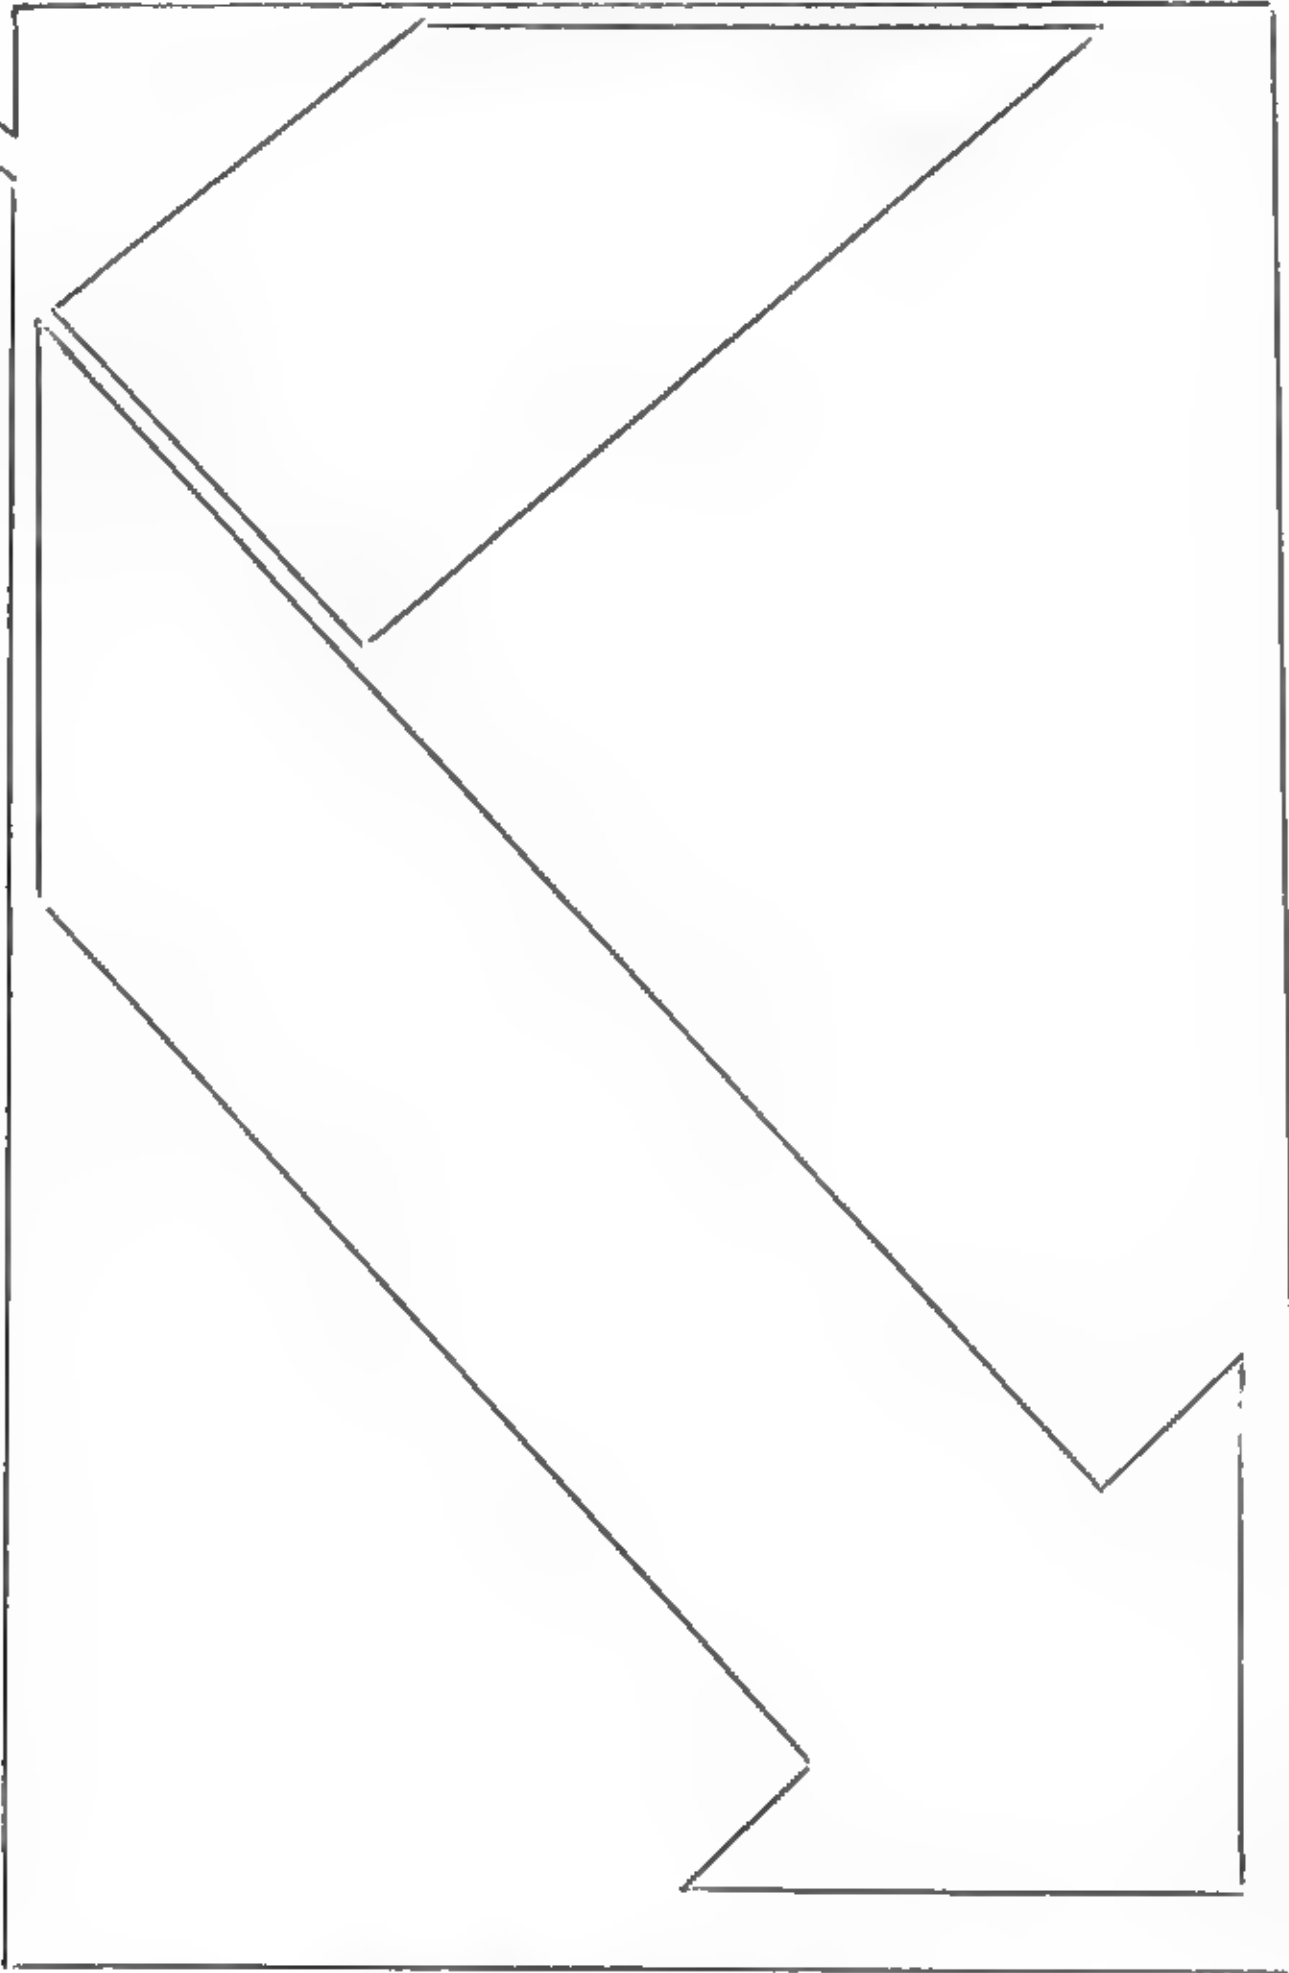

by Sandra Hancock Stark

ALMA KAY RAMOS—She was a member of the National Honor Society and a twirler for Osuna Lion Band. She was the daughter of Mrs. Cynthia Flores and Mr. Humberto Ramos.

This skeleton needs a helping hand. What better person than Camille Davidson to offer her's to him?!

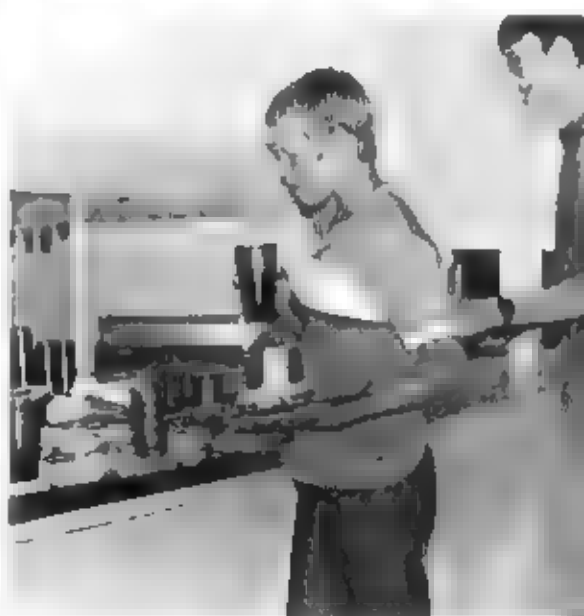

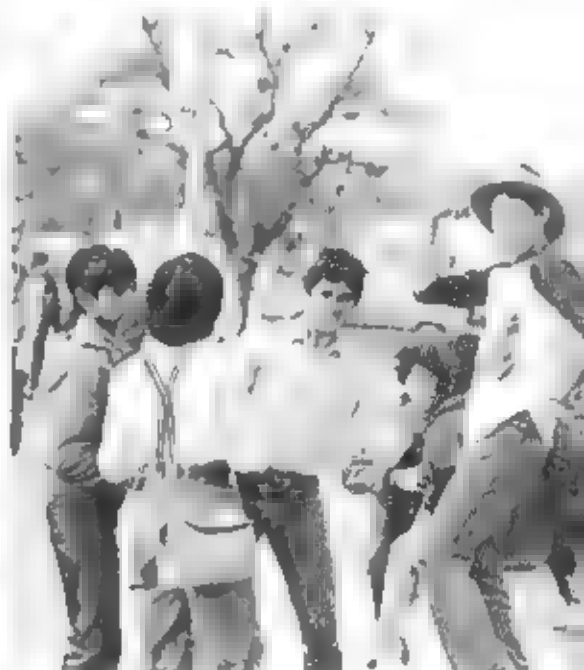

Mrs. Franco is really busy teaching her Spanish class. After she tries her hardest to explain to them, some students still don't understand.

Amy Scoggins, OHS mascot, sadly looks into the crowd knowing this is the last football game of the season.

Derold Vargas tries showing off his muscles, his friends seem to be smiling and saying, "W muscles?"

Chris Dunn waits on Will Seahorn to finish tea so he can put his tray up, also.

## OHS— AT ITS BEST TIMES

Although Friday night's football game is on Missy Fierro and J. R. Garcia's minds, they are still working hard to finish their work

After a hard workout, the basketball girls get a pep talk from one of their teammates for their next game.

This is a Lion football player of the year 2000 Coach David Porter holds his son, Ty Porter, during a Friday afternoon pep rally.

Linda Villarreal, Catressa Zak, and Deena Phillips posed with Santa Claus when they had a bake sale and Santa pictures made to make money for the yearbook.

While Jena Allen is trying her hardest to do her work, Isabel Benitez would rather close her eyes and stick out her tongue at work.

Sandra Ramirez is thrilled to show the other girls how the strut is professionally done. Little does she know, cars and other people are watching her.

Students are getting their books, schedules and registering for school. While Virginia Alvarez smiles at her schedules, Jennifer Parks wonders what this year has in store for her.

# STUDENT COUNCIL AT OHS

The 1984-85 Student Council consists of George Guerra, Jennifer Parks, Stan Winkley, Susan Kenley, Raul Delgado, Melissa Vallejo, Amy Scoggins, Haley Anderson, Steve Sanchez, Al Ramirez, Harvey Fierro, David Delgado and Jackie Moran. They accomplished a job well done this school year.

The Student Council, which is the governing body of the school, is elected every year by the student body.

The student officers are elected by the Student Council members.

The Student Council is involved in such activities as: decorating and planning the Homecoming Dance, purchasing necessary school materials, and serving in whatever capacity is needed

The officers are President David Delgado; Vice-President Raul Delgado, Secretary Haley Anderson and Treasurer Steve Sanchez.

# VICA

The VICA officers for this year were as follows: Danny Moran, Sergeant at Arms; Al Ramirez, Vice-President; Mario Arredondo, Reporter; George Guerra, Parliamentarian; Edward Borrego, Secretary and Treasurer; and Mike Lara, President.

Mario is seen busy working with the brake lathe.

Members of the VICA Organization did a fine job this year in competition at the district meet in Odessa. One individual, James Fierro, scored high enough in Auto Parts to qualify himself to state which was held in Dallas.

# STUDENTS & TEACHERS PREPARE FOR PRODUCTIVE LIFE

Julie Reagor, was chosen FFA Sweetheart by club members.

The FFA is a national organization of students enrolled in vocational agriculture. Through active participation in the FFA, members learn by taking part in and conducting meetings, speaking in public, participating in contests based on occupational skills, earning awards and recognition and becoming involved in cooperative efforts and community improvement. The FFA offers the opportunity for achieving a personal goal of becoming productive citizens. FFA members believe in leadership, citizenship and patriotism. # NATIONAL HONOR SOCIETY INDUCTS 19 IN 1985

President of the NHS Gary Davis spoke at the induction ceremonies.

## NHS HONORS

NHS officers are kept pretty busy throughout their terms in office. The NHS officers hold meetings through the course of the year and they also act as liason between school officials and student body. Officers accept suggestions for the betterment of the school and student body. At the end of every school year, the officers and school officials induct new members to the National Honor Society Organization.

Qualities on which NHS selections are based include good character, outstanding scholarship, manifestation of leadership, and service to the school and student body. Faculty members vote for those students whose grades are high enough for them to be considered as NHS candidates.

The National Honor Society is a nationwide organization for honor students in the United States.

After students become members of the NHS, they are reviewed periodically by the Teachers Faculty Committee and must maintain the high standards of the society. Active members in the NHS are required to maintain their minimum scholastic average and to live up to the Character, Leadership and Service of the NHS.
